Tournament Rules:

7 inning games with an 8 run rule after 5 innings.

American Legion Baseball rules apply (American League DH, re-entry rule, courtesy runners - all to allow more participation and speed up play)

Best record at end of tournament will determine the winner. If two teams tie, the head-to-head winner will be the champ. If more than two teams tie, we'll use least runs allowed.

A coin flip will determine the home team and dug-outs, however Eau Claire will always be the home team and operate out of the 1st base dugout.

All games played at Carson Park.

We reserve the right to limit/eliminate pre-game infield practice if times does not allow.

We'd like the coaches on the field in uniform, in respect for American Legion Baseball.
